

Planet Full of Strangers

VERSE 1:

Witness to one another's
demise and daily
we deny the mourning
Cloak ourselves
in an illusion of familiarity
rather than face
that we are but a

CHORUS:

Planet full of strangers
dying each day
Planet full of strangers
pretending to be unchanged

VERSE 2:

Preservation of sanity
demands that we ignore
natural progression
Trick ourselves
into contriving false intimacy
rather than accept
that we are but a

CHORUS:

Planet full of strangers
dying each day
Planet full of strangers
pretending to be unchanged

BRIDGE:

We live, we try, so hard to find
We know nothing
beyond our names
We live, we try, so hard to find
Who we are
We live, we try, so hard to lie
We know nothing
beyond our names
We live, we try, so hard to find
Who we are

CHORUS:

Planet full of strangers
dying each day
Planet full of strangers
pretending to be unchanged
